ACTIVITY 1

Read the text and identify all the sentences with the word "Will"

How will my great great granddaughter be like?

I think that I will write a letter to tell her what's I'm living right now, and then she will notice the big change in her life and mine. She will have more possibilities in medicine, technology and whatever... of course, if we take care of our world right now. She will be excited at the moment of finding my letter.

When my mother asked me that, I started to think how my great great granddaughter will be. I think that se will be cute. She will be tall because I'm tall and my parents too. She will have green eyes and black hair. My name is Missy, and I'm 12. Everyday I talk with my mother about different things. We were watching tv when we saw a robot and

she told that she thinks that in the future there will be robots. Maybe, my mom is right. There will be robots in the future. Then, she asked me if I want to have any children in the future and I told her that I want but when have a job and a husband and a secure family for the baby.

Maybe, she will be a little thin because my father is thin. She won't have to go to the school to study, because in 50 years or more, I think that there will not be school. Everything will be online. So, my great great granddaughter will study in her home. She will eat pills or maybe tiny little food, because there are many changes that people do on food now days. However, I think that she will have an extravagant car, because cars will be cheaper that now. There will be cars that can fly, and she could have on of those. It will be cool for he
